

LUNA

BATHROOM, KITCHEN & LAUNDRY COLLECTION

Caroma Classic is our most popular and affordable range of products. Loved by Australians for its proven reputation of high-quality construction, durability and longevity, these designs have become classics in homes across the country.

The Classic collection brings everyday luxury experiences through classic styles and functional design for people seeking DIY and good value products. So, you can create the sanctuary of your dreams, without compromise.

“With an extensive range of quality products and a choice of colour finishes, the **Luna** collection is the practical choice to create your sanctuary.”

A handwritten signature in black ink that reads 'LDM'.

- Luke Di Michiel,
Caroma Industrial Designer

LUNA

The Luna Collection offers reliable and durable products that are well-designed with Australian ingenuity to suit your lifestyle. The extensive product range suits almost any bathroom, kitchen or laundry and are practical for an everyday luxury experience.

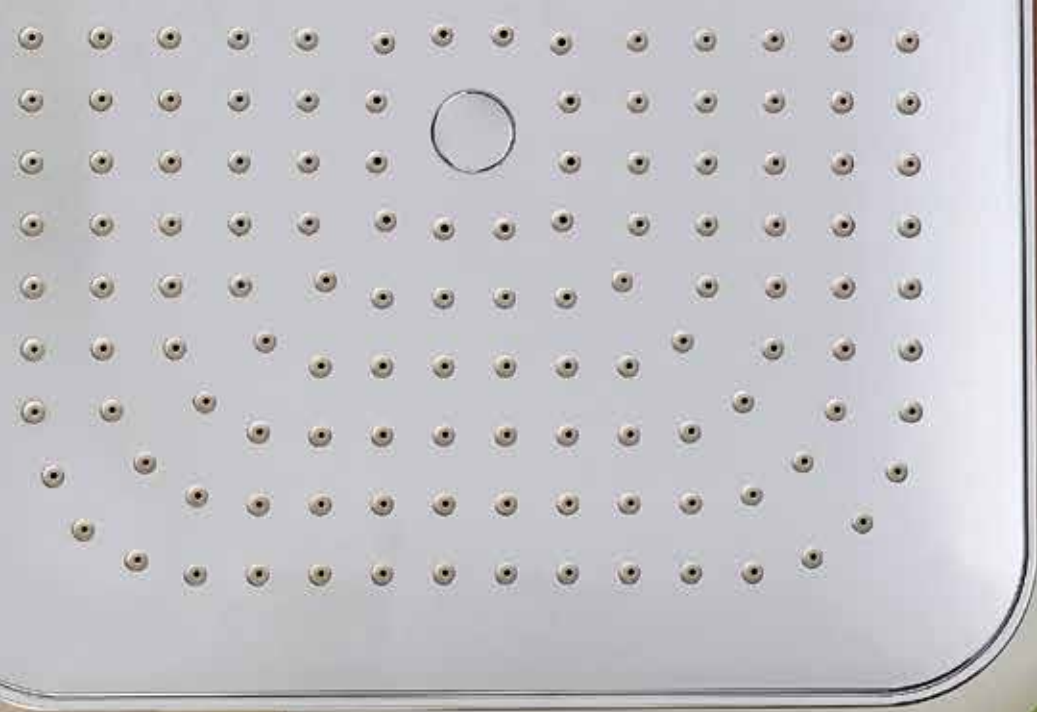

Featuring a range of colour finishes across tapware, showers and accessories, the Luna collection can be tailored to your personal style.

SEMI RECESSED BASIN

INSET BASIN

ABOVE COUNTER BASIN

WALL BASIN

Basins

Luna basins are curved and classic in their design, making them a stylish choice for your bathroom that will stand the test of time.

With many style and size options available, you'll be spoiled for choice when selecting basins for a small ensuite through to a large family bathroom.

ABOVE COUNTER BASIN

Above counter basins are installed directly on top of a vanity with minimal installation requirements.

INSET BASIN

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

SEMI RECESSED BASIN

Semi recessed basins partially overhang the vanity allowing you to maximise your basin size on applications with limited vanity space.

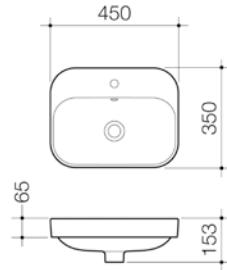

WALL BASIN

Wall basins are installed directly to the wall with no need for an additional vanity.

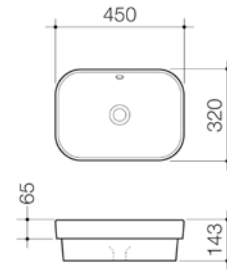

Caroma wall basins are tested to withstand excess load up to 150kg **5x industry standard**

EN 14688 : 2015 Sanitary appliances - wash basins - functional requirements and test methods.

Showers

A sleek, modern shower will not only enhance the appearance of any bathroom but also your daily bathing experience.

Our Luna range of eco-friendly showers are engineered with a superior water saving rating, without any compromise on performance.

FIXED SHOWER

A fixed arm with a pivoting head either from the wall or ceiling for a clean stylish look.

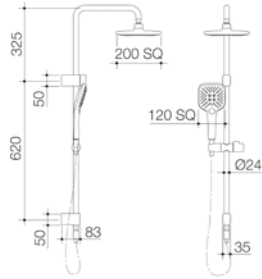

HAND SHOWER

Provides added functionality to a fixed wall option with the ability to remove the handpiece.

SHOWERS ON RAILS

Convenient, adjustable height rail for ultimate control.

Baths

Our range of Luna baths feature soft lines for a modern, minimalistic look. The gentle recline allows you to lie back and relax in style.

FREESTANDING BATH

FREESTANDING BATH

The Luna freestanding bath is only 1400mm in length, meaning that even small bathrooms can have this luxurious style of bath.

BACK TO WALL FREESTANDING BATH

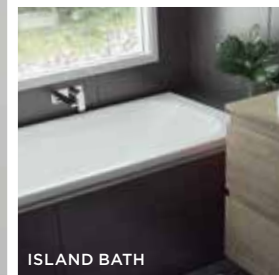

The Luna back to wall bath combines the luxury of a freestanding bath with the practicalities of an island bath. Sitting flush to the wall means it is not only easy to clean but opens up the choice of tapware to wall bath mixers.

ISLAND BATHS

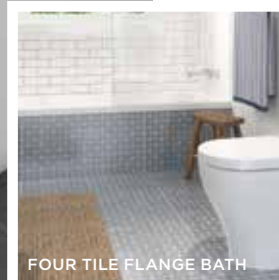

Island baths are recessed into a constructed frame which is usually finished using tiles or stone leaving only the small raised rim of the bath visible. The island bath offers extra room around the bath, perfect for candles, a sitting ledge, or the kids' toys.

FOUR TILE FLANGE BATHS

This style is necessary for a bath that will also be used as a shower. It works to redirect the shower spray run-off directly back into the bath without the moisture damaging the walls.
